## **Jacky Lam**

*The Chinese University of Hong Kong, Hong Kong*

Dr. Lam obtained his medical degree in the University of Hong Kong in 2007. He has completed his surgical training in 2014. Currently he is working as a clinical lecturer in the Department of Chemical Pathology in the Chinese University of Hong Kong. His research interests are on the biological features of plasma DNA and its potential clinical application in noninvasive cancer detection. He is involved in the large-scale prospective clinical trial using plasma EBV DNA for screening of nasopharyngeal carcinoma and the development of sequencing-based screening test for nasopharyngeal carcinoma.
