Yutaka Yatomi

Graduate School of Medicine, The University of Tokyo, Japan

He is currently Professor of Department of Clinical Laboratory Medicine, Graduate School of Medicine, The University of Tokyo, Japan. He is also Director of Department of Clinical Laboratory, The University of Tokyo Hospital and Vice Dean, Graduate School of Medicine, The University of Tokyo. He obtained a medical license in 1983, and received his Ph.D. from the University of Tokyo in 1991. He was awarded several honors and scientific prizes, including Prize of Japanese Society of Laboratory Medicine in 1997 and The Kozakai Prize, Laboratory Medicine Research Foundation in 2010. He has been President of Japanese Society of Laboratory Medicine since March, 2016. His research interests have focused on studies of thrombosis and hemostasis in the field of hematology. More recently he is also interested in the research of bioactive lipids and its introduction into laboratory medicine.
